

ANTI DOPING EDUCATION COURSE DETAILS

From January 1st 2024, a new rule is introduced in the World Triathlon Anti-Doping Rules:

“Athletes and Para Triathletes must complete the Anti-Doping Education Course to be admitted to the waiting list and/or compete in all World Triathlon and Continental Confederations competitions from all multisport, programs, and categories with the only exception of Age Groups”

The Anti-Doping Education courses is accessible in the [World Triathlon Education & Knowledge Hub](#)

ACCESS THE WORLD TRIATHLON EDUCATION HUB

PLEASE NOTE: The Education & Knowledge Hub and Triathlon.org currently require separate accounts. You will not be able to log into the Education Hub with your Triathlon.org account.

You have an existing account: <https://education.triathlon.org/> (If you have forgotten your password, there is a forgotten password link you can use)

You don't have any account: <https://education.triathlon.org/login/signup.php>

- When creating your profile in the World Triathlon Education HUB, you must refer to the same Names as the one used on [triathlon.org](https://www.triathlon.org). It will allow the system to match your two profiles (the entry system and the Education HUB).
- If you are under 16 years old: your legal guard must fill this [form](#)

ACCESS THE RELEVANT COURSE

Note: It is *very important* that you complete the anti-doping course that applies to your situation (coach/youth/para/elite). The system for registering coaches and athletes in an event is automated, and will not be able to recognize your completion of the course if you complete the wrong type of course.

1. HIGH PERFORMANCE COACH

This course is for coaches only who wish to be accredited in the World Triathlon's events, Coaches must complete this course: <https://education.triathlon.org/course/view.php?id=312>

2. YOUTH COURSE

This course is for Juniors and U23 Athletes who will compete in the category Junior and U23 in the World triathlon events and in the Continental Confederations events. This course is mandatory for all Athletes to be entered into the start list and waiting list:

<https://education.triathlon.org/course/view.php?id=314>

3. INTERNATIONAL PARA ATHLETES COURSE

This course is for all the Para Athletes who will compete in the category Para Triathlon in the World Triathlon events and in the Continental Confederations events. This course is mandatory for all Athletes and Guide to be entered into the start list and waiting list:

<https://education.triathlon.org/course/view.php?id=317>

4. INTERNATIONAL ELITE ATHLETE COURSE

This course is for all the Elite Athletes who will compete in the category Elite in the World Triathlon events and in the Continental Confederations events. This course is mandatory for all Athletes to be entered into the start list and waiting list:

<https://education.triathlon.org/course/view.php?id=154>

COMPLETE THE COURSE OR UPLOAD ANOTHER CERTIFICATE

World Triathlon recognizes the other Anti-Doping Education Certification of 2023 and 2024 delivered by your NADO or ADEL. Any certificate dated before will not be valid.

PLEASE NOTE THAT A WORLD TRIATHLON CERTIFICATE DOES NOT NEED TO BE UPLOADED

To upload an existing certificate. You have to click on this module in the relevant course applying to your status.

Upload existing
certificates (if
applicable)

Once you clicked on the module, you will have a page with blue frame “Add submission”.

You can upload your certificate of your NADO or ADEL and then click on “Submit”.

If you did not complete another Anti-Doping Course with your NADO or in ADEL, then you complete the World Triathlon Anti-Doping Course.

HOW TO CHANGE THE LANGUAGE OF THE COURSE

To change the language of the course, you can use the google translation tool available here:

The screenshot shows a course page titled "ADRVs, Strict Liability and consequences" under the "Elite Athlete Anti-Doping Education 2024" program. The page content includes a "Terminé : Consulter" button, a "Suivant" button, and a section titled "1. Introduction" with text defining doping and listing 11 ADRVs. A red box highlights the "Sélectionner une langue" dropdown menu in the bottom left corner, with a red arrow pointing to it.

Our Partners

Then select the language:

The screenshot shows the same course page as above, but with the "Sélectionner une langue" dropdown menu expanded to show a list of 60 languages. The list is organized in a grid-like format with 10 columns and 6 rows. A red box highlights the entire language selection area.

>Sélectionner une langue	>Bambara	>Chinois (simplifié)	>Espéranto	>Gujarati	>Islandais	>Kurde (Kurmandji)	>Malaisien	>Norvégien	>Quechua	>Slovène	>Tigrigna	>Zoulou
